

**Ramkumar Mandalam, Ph.D.**

President and CEO  
Cellerant Therapeutics Inc

Ramkumar Mandalam, Ph.D. is President and CEO of Cellerant Therapeutics Inc, a biotechnology company developing cell-based drugs and antibodies for oncology applications and blood-related disorders. Prior to joining Cellerant as VP of Pharmaceutical Operations in 2005, he was the Executive Director of Product Development at Geron Corporation, a biopharmaceutical company in Menlo Park, CA. His responsibility at Geron included strategic planning and implementation of development and manufacturing of cellular products for regenerative medicine, oncology and drug discovery applications. Prior to joining Geron, he was Director of Developmental Research at Aastrom Biosciences managing research and development programs involving ex vivo expansion of human primary cells for cell therapy applications. Dr. Mandalam received his Ph.D. in Chemical Engineering from University of Michigan, Ann Arbor, Michigan.
